

ASHWAUBENON ALUMNI ASSOCIATION SUPPORT OPPORTUNITIES

About the Alumni Association

The Ashwaubenon Alumni Association is a volunteer organization committed to promoting fellowship among alumni, friends, and recent graduates. Our work includes supporting our alma mater, communicating the great things that are happening in the schools and community of Ashwaubenon, and providing scholarships to deserving high school seniors.

Formed in 2016 to celebrate Ashwaubenon High School's 50th anniversary, the Alumni Association has since transformed that event into the Ashwaubenon Blast, held most summers at Ashwaubomay Park. The Blast has been successful because of our great community, businesses, volunteers, and sponsors. Funds raised are used for scholarships, alumni communications and support of Ashwaubenon students.

Planning for the Future

In addition to producing the community Blast event, the Alumni Association will invest in the development of additional alumni communications and scholarships in support of higher learning for Ashwaubenon students. Sponsorships and donations are instrumental to the growth and success of these programs, and the new sponsorship packages below have been designed to support these efforts while also maximizing recognition and thanks to our generous donors.
